

AMCP 2024 - Claim CPE Instructions

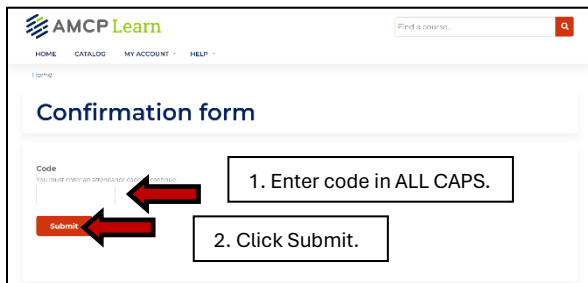

Open amcplearn.org and log in. If you are unable to log in, please contact memberservices@amcp.org.

Click on the homepage "AMCP 2024" banner or go to amcplearn.org/code in your browser.

You will see a page that says, "Confirmation Form." Here you will enter your codes only one at a time.

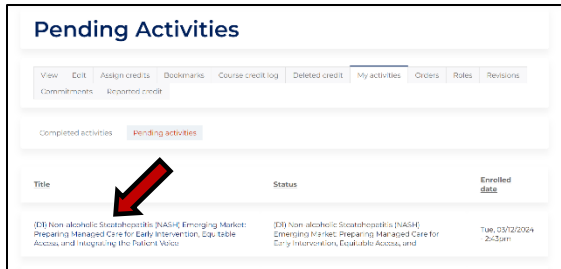

Enter the first code that was displayed on the PowerPoint screen during the live session, then click "Unlock." Please note: the Access Code must be entered in all caps.

Repeat the last step for each code you received. Then hover over the arrow next to “My Account” and click “Current Activities” to complete the evaluations for each session you entered a code.

You should now be on the “Pending Activities” page. All sessions for which you’ve entered the code should be listed here. Click on the title of the session to begin the evaluation.

You will now see a page with the session title at the top, and a button labeled “Take Course.” If you do not see this right away, click the “Take Course” tab. Then click the “Take Course” button.

You should now see a navigation panel labeled “Course Progress” on the left-hand side of the screen. Click on the “Evaluation” item and then click “Start Course” to complete the evaluation.
