

## **Preparing for 2026 Health Policy Changes and Their Impact on Pricing, Affordability, and Access**

**Breyanne Bannister, PharmD, MS**

Breyanne Bannister, PharmD, MS, is an Assistant Director on Cencora's Value & Access Strategy team with experience leading HEOR and market access initiatives supporting US drug launches. Her expertise includes value evidence strategy, payer engagement, and HTA-related assessments.

**Jeff Dunn, PharmD, MBA**

Jeff is President and Chief Executive Officer for Cooperative Benefits Group (CBG), a transparent pass-through PBM. Prior to assuming his current role, Jeff was the Chief Clinical Officer with pharmacy and formulary oversight responsibilities, including P&T/VAC, rebates, clinical programs, specialty, strategy, account management, industry relations, sales, pathways/guidelines/UM, site of care, medical management, etc.

Jeff is also on the board of directors for AMCP and Care Pharmacies Cooperative, and is the Alumni President for the University of Utah College of Pharmacy.

**Leon Cosler, PhD, RPh**

Leon Cosler, RPh, PhD is an Associate Professor of Pharmacy Practice at Binghamton University's School of Pharmacy and Pharmaceutical Sciences, where he teaches Health Care Delivery, Pharmacoeconomics and Health Outcomes, and Health Care Ethics. He also advises the school's student chapters of the Industry Pharmacists Organization (IPhO), the Academy of Managed Care Pharmacy (AMCP), and the Pharmacy Leadership Society (PLS). He also serves on the Pharmacy & Therapeutics Committee for MVP Health Care and is appointed to the New York State Board of Pharmacy. Dr. Cosler previously served as Associate Professor of Pharmacoeconomics at the Albany College of Pharmacy and Health Sciences and earlier, as Director of Research for the New York State Medicaid Program. He holds a BS in Pharmacy from the Albany College of Pharmacy, an MS in Pharmacy Administration from West Virginia University, and a PhD in Health Systems Administration from Union College.

**Susan Downard, RPh, BSPHarm**

Susan Downard, RPh, BSPHarm, is the Senior Director of Pharmacy, Clinical Drug Management and Pharmacy Benefits Programs, at Ascension. She serves as a managed care pharmacy expert for the hospital system and is responsible for managing the drug portions of the employee health plan and Dell Children's Hospital Texas Medicaid Plan. Prior to this, she spent more than 25 years at Kaiser Permanente and Point32Health. Her primary focus has been in the areas of formulary and utilization management, Medicare Stars, quality, and she has extensive experience in all aspects of managed care pharmacy operations and delivery. Susan has been active in many professional pharmacy organizations throughout her career including participation on AMCP committees. She received her B.A. and B.S. Pharmacy degrees from the Ohio State University.
