

2025 AMCP

EDUCATION

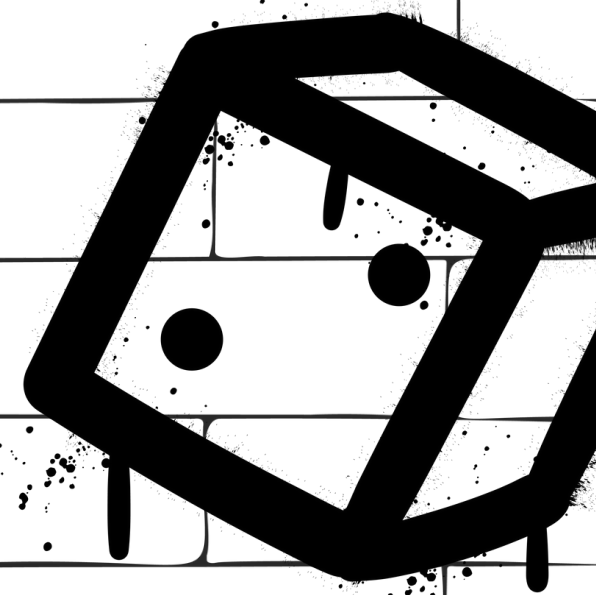

Here's to the team!

LEARNING OBJECTIVES

By the end of this presentation, you will be able to:

- Identify Team Education's accomplishments in 2025.
 - Discuss how awesome Team Education is.
 - Recall a catchy earworm celebrating Team Education.
- 

ED TEAM 2025

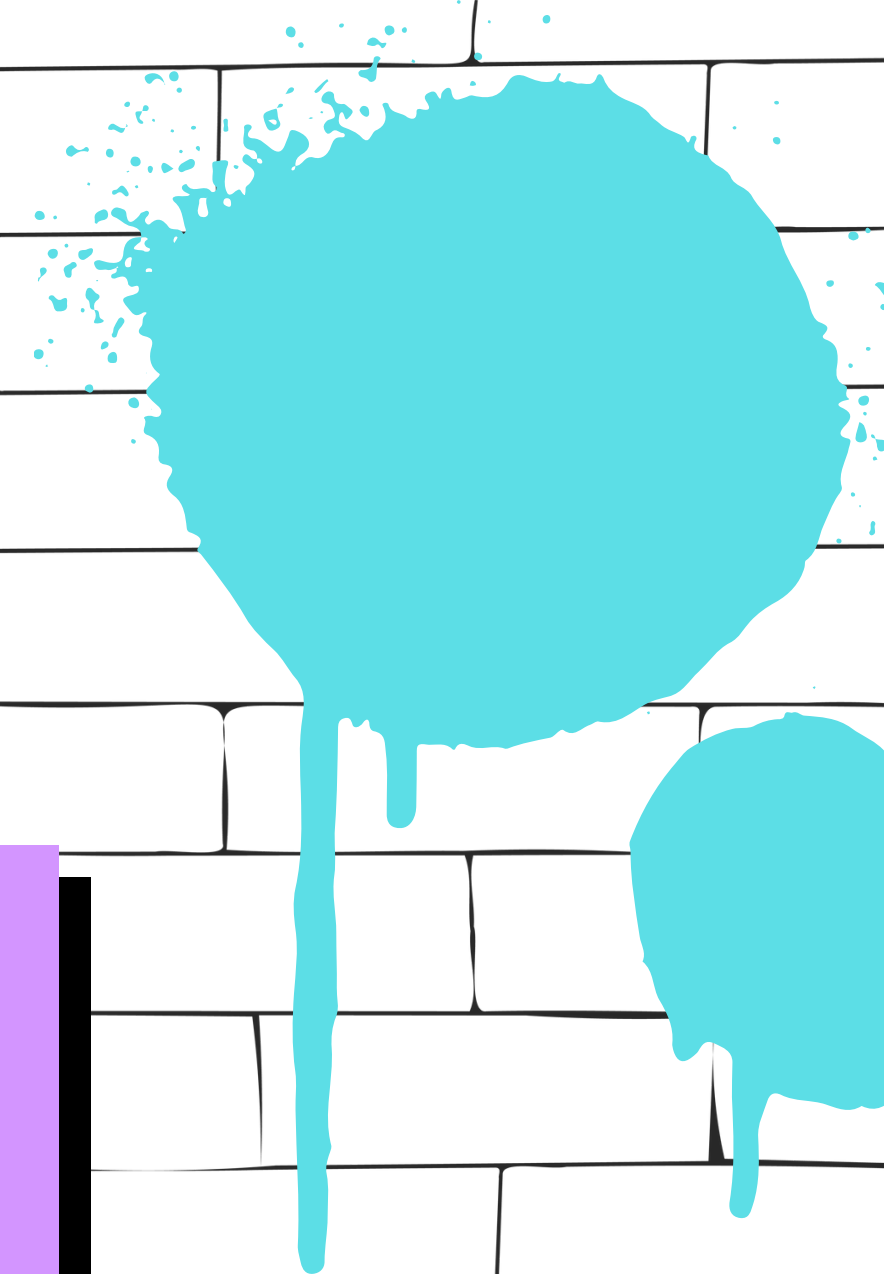

Now this is story all about how
AMCP Ed Team flipped the year upside down
If you got a minute, just sit right there
I'll tell you how we rocked 2025 with flair

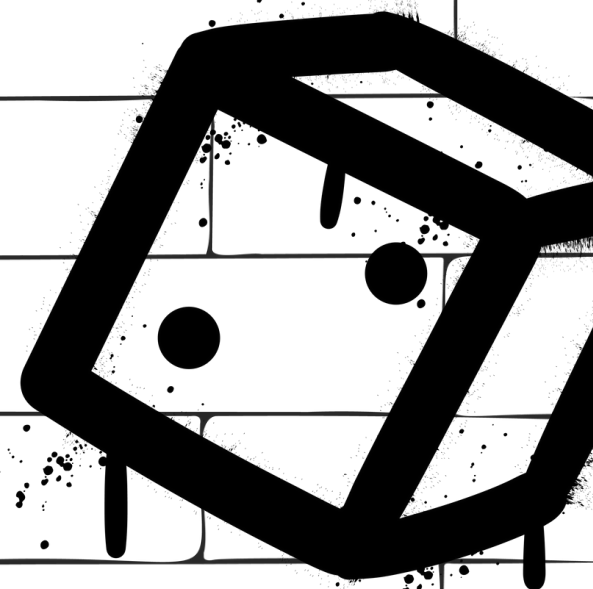

THE CREW

Started out with Ruby, then Mitzi took the lead
June brought a change, but we kept up the speed
Andrea, Brittany, Brooke, Jen, Kristine, Michelle, Rachel –
yeah, that's the crew
Data-loving squad, always bringing something new

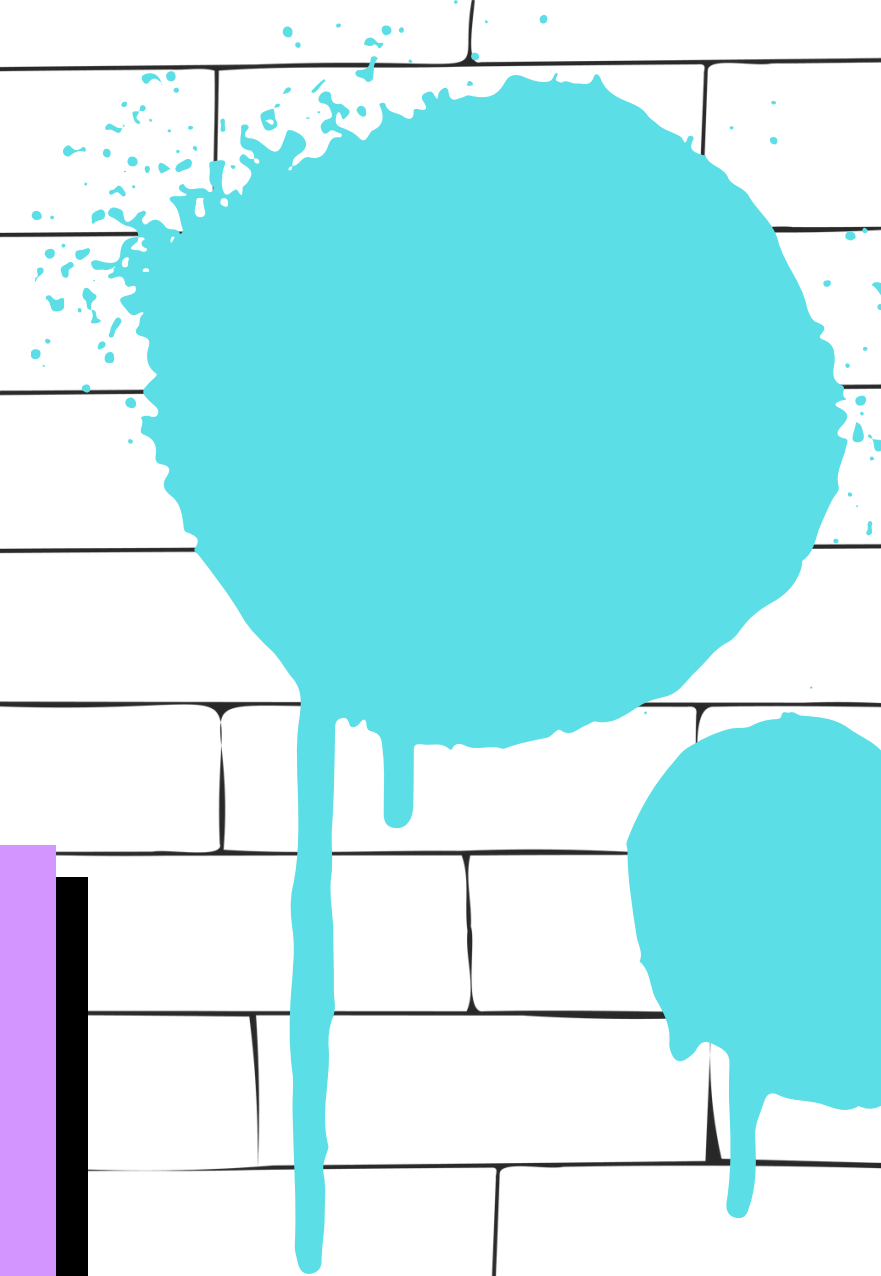

GET THE WORD OUT

77 webinars, bringing knowledge to the fore
9 member-only, giving members even more
Podcasts? 23, patient vids up to six
DMD video blew up – 3,100 clicks!

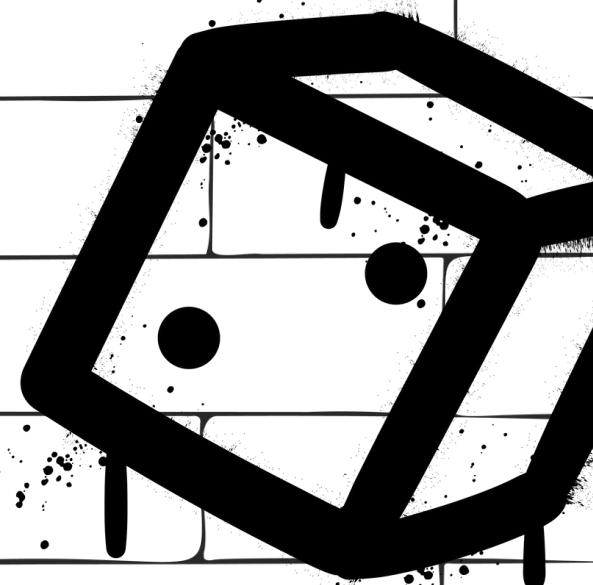

DOLLA BILLS

Ten grant-funded programs, fourteen funders in tow
BridgeBio, Pfizer, Genentech, watch our impact grow
Nexus and AMCP, 29 sessions each
157 faculty, expertise in reach

Posters? 568 authors galore
4,393 entered - can you ask for more?
Affiliate Tour hit Florida, Cali, Great Plains
IRA University launched, new skills in our brains

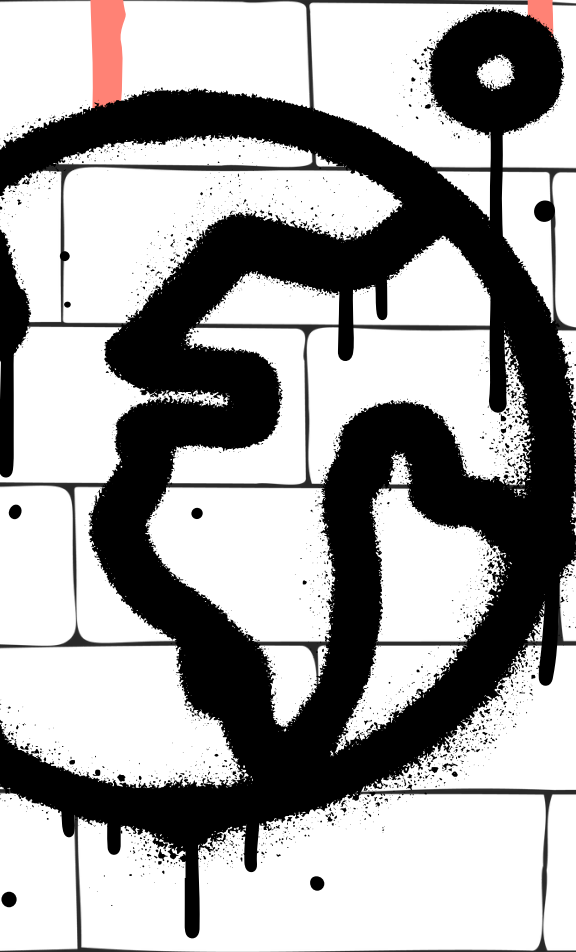

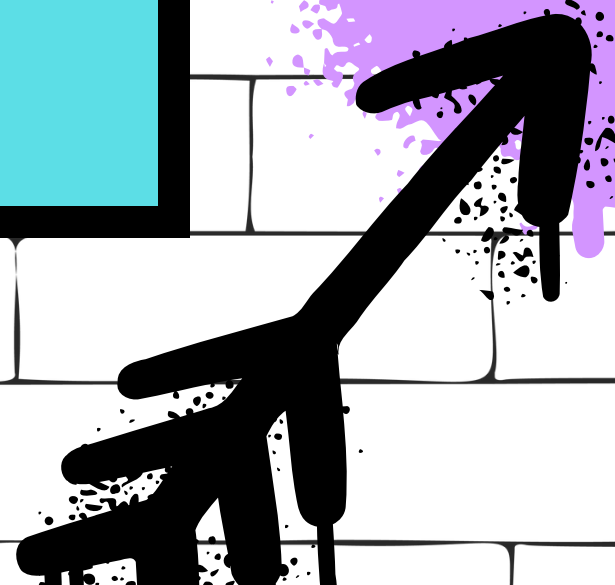

KEEP IT FRESH

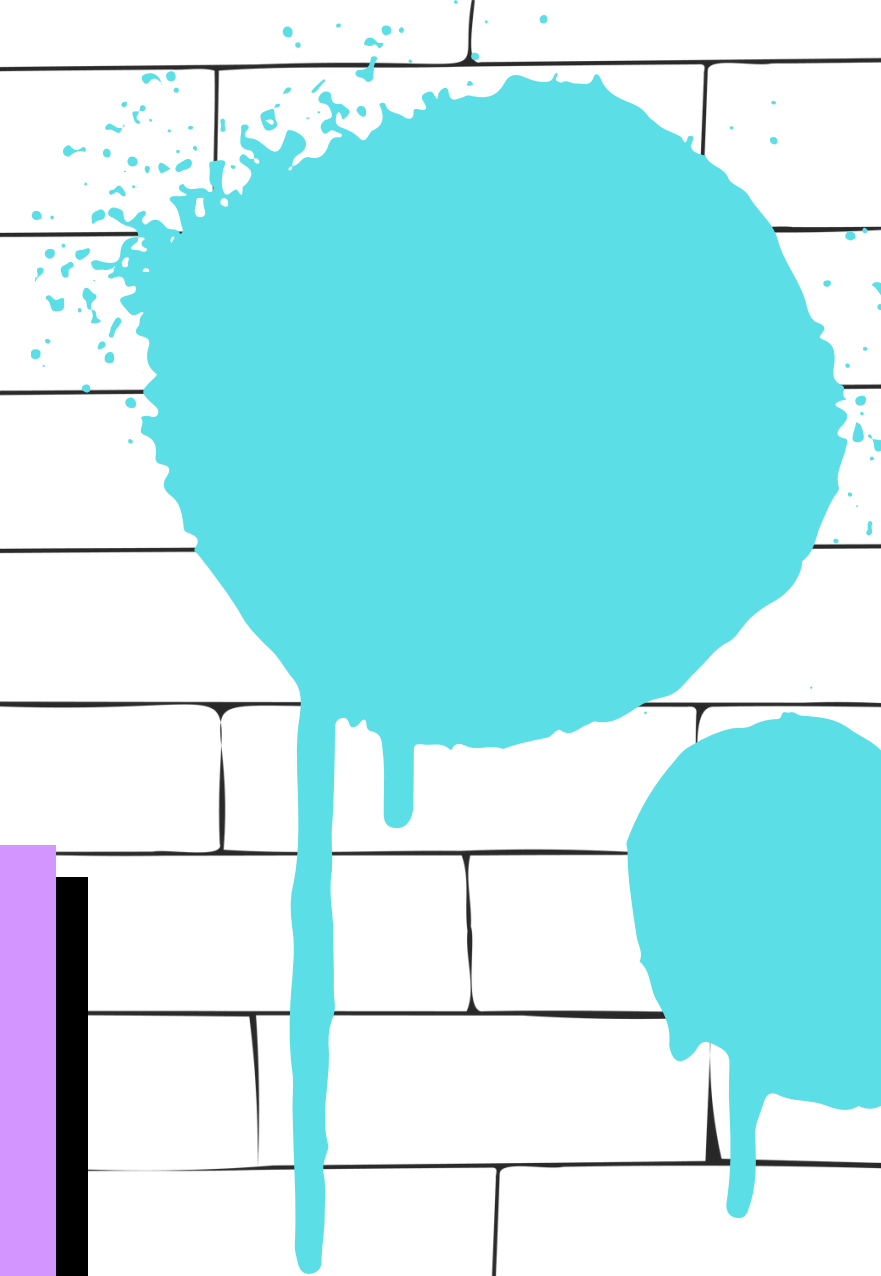

Medical Benefits updated, Fundamentals sold
Advanced Principles, training programs bold
eLearning Days grew from 2 to 4
Quarterly now, offering members more

8 sessions, half grant-funded, flexible and bright
Satellites - 27, keeping learning in sight
App poster uploads, new options for all
Patient voice initiative, grant support stands tall

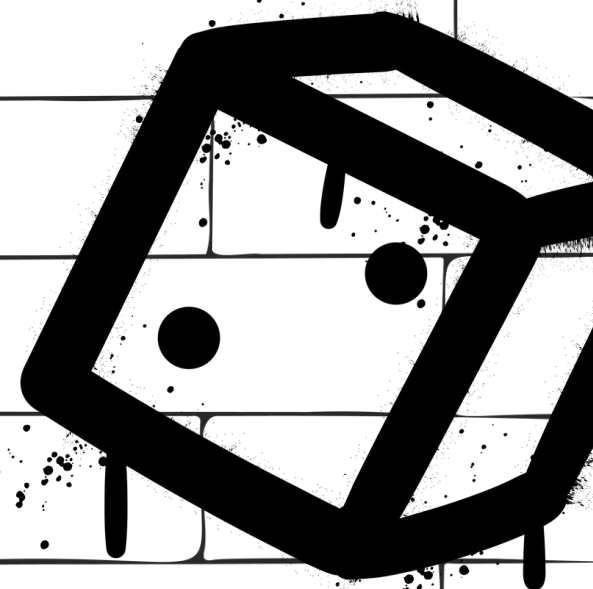

**SHOUT
OUT**

ASAE Silver Award – yeah, we brought it home
Broadening horizons, new skills we honed
Andrea and Rachel, programming eLearning with style
Podcast production, new grant models – worthwhile

3 APPE students, learning on the scene
Future outlook: rare diseases, RWE – so keen

PROPS

So here's to the team, through transition and change
2025 was epic, and 2026 is in range

All year at AMCP, we're making our mark
Education Team - always raising the bar!
